FREE TRAINING

**Enjoy a morning "perk"
from Keller & Co.**

Commercial Training Seminar

We would like to assist you with your agency's training needs by offering a morning seminar, open to your employees, on the proper completion of **commercial Acord forms, commercial supplemental applications, and Excess Lines Forms. Along with the forms, you will learn how YOU can rate general liability for Artisan Contractors, using our Online Rating Tool.**

There is **no cost** or **CE credits** associated with this seminar; we wish only to assist your agency with its training needs.

The class will be conducted by one of our underwriters, Elaine Lovelace, who has had extensive agency experience and can fully appreciate the needs and training issues within your agency.

As you are well aware, a properly completed application will get the attention it deserves from most companies and will result in a quicker quote turnaround time.

There is a training seminar coming to your area!

There is no limit to the number of people per agency. If your agency is interested in one of the classes listed below, please complete the form below, and return to Keller & Co., Attention: Beverly Cotter
Fax: (716) 874-4920 or Email: bacotter@kellerandco.com
We will be sure to include your agency in the class mailing so you can register your attendees at that time.

All classes start with a meet & greet continental breakfast at 8:30 a.m. – class from 9:00 am – 12:30 pm
